

IUSD LCFF & LCAP

Each year IUSD schools solicit feedback from parents, teachers and students on how we can best use our funds to make our schools better. The Local Control Funding Formula (LCFF) is the state's funding formula for public schools and your input helps to create the Local Control Accountability Plan (LCAP), which is our three-year plan for how we will use those funds. In the coming months Lakeside parents will have the opportunity to share their input through PTA and School Site Council
