

LAKESIDE MIDDLE SCHOOL

Sea of Donors

FUNDRAISER 2020

Each year, Lakeside parents, staff and students come together to support our annual **Sea of Donors** fundraiser. The donations collected in the past have helped us purchase computers, Chromebook carts, software programs, iPads, and Wi-Fi to support the use of technology, as well as flexible and updated furniture for classrooms and the Media Center. This year we want to continue our focus on creating meaningful learning environments by investing in a Maker Space Center in our Media Center. Students will gain access to 3D printers, green screen filming, hands on architecture and engineering projects and more. **Our goal is to raise \$15,000, and if every family donated just \$25, we would exceed our goal.**

Each family who donates \$100 or more will join previous donors by having their name emblazoned on a personalized ceramic sailboat. You can donate in one of two ways. You can send in a check or cash to your student's advisor or to the front office, or you can donate by going to the following link and donating electronically, utilizing the same login information you use for IUSD's Lunchbox program: www.myschoolbucks.com. If you have not utilized this program before, you can quickly and easily create a new account.
